The 16th International Conference on Digital Image Processing (ICDIP 2024) will be held in Haikou, China during May 24-26, 2024, which is hosted by School of Computer Science and Technology, Hainan University, China.

Since 2009, the International Conference on Digital Image Processing (ICDIP) has been successfully held fifteen editions in Singapore, China, Greece, Japan and other countries and regions. So far, nearly two thousand experts and scholars from all over the world have participated in the conference, and nearly two hundred technical sessions have been held. After 15 years, ICDIP has established a strong industry expert committee. Many renowned experts in the field of image processing at home and abroad have shared their latest research results and experiences at the conference. The previous proceedings have been published by the prestigious publisher IEEE or SPIE, and successfully indexed by EI Compendex, Scopus and CPCI (Web of Science).

CALL FOR PAPER

- Image & Video Analysis and Segmentation
- Cyclo-stationary Signal Analysis
- Image & Video Processing
- Neural Networks for Signal Processing
- Image & Video Coding and Transmission
- Data Mining Techniques
- Noise Control
- Image-Based Modeling
- Image & Video Labeling and Retrieval
- Deep Learning for Images and Video
- Nonlinear Signals and Systems
- Image & Video Perception and Quality Models
- Detection and Estimation of Signal Parameters
- Object Detection and Categorization
- Image Scanning, Display, and Printing
- Face Recognition
- Satellite Data Analysis and Interpretation
- Fast Fourier Transforms
- Interpolation, Super-resolution, and Mosaicing
- Motion and Video Analysis
- Pattern Analysis and Classification
- Document Analysis and Processing

CONFERENCE COMMITTEE

- Conference Chairs
  - Prof. Zhudahi Wang, Hainan University, China
  - Prof. Jindong Tian, Shenzhen University, China
  - Prof. Minral Mandal, University of Alberta, Canada
  - Prof. Faizul Alia Cheikh, Norwegian University of Science and Technology, Norway

- Program Co-chairs
  - Prof. Lyudmila Mityakova, The University of Sheffield, UK
  - Prof. Haibing Yin, Hangzhou Dianzi University, China
  - Prof. Chang Tang, China University of Geosciences (Wuhan), China
  - Prof. Yufi Rizhanov, University of New Hampshire, USA
  - Prof. Xiaorong Xue, Liaoning University of Technology, China

- Steering Committee
  - Prof. Tao Zhou, North Minzu University, China
  - Prof. Gui-Song Xia, Wuhan University, China
  - Prof. Jun Yingtao Han, Deepin University, Beijing University of Science and Technology, China
  - Prof. Hong Zhang, Georgia Southern University, USA

- Area Chairs
  - Prof. Yanfeng Li, Beijing Jiaotong University, Beijing, China
  - Prof. Fengkai Qiao, Northeastern University, Shenyang, China
  - Prof. Shengli Sun, South China University of Technology, Guangzhou, China
  - Prof. Shunli Zhang, Beijing Jiaotong University, Beijing, China

- Local Committee Chairs
  - Assoc. Prof. Dian Zhan, Hainan University, China
  - Assoc. Prof. Shengli Sun, Hainan University, China

CONFERENCE VENUE

Haidian Campus, Hainan University, Haikou, China

Address: No. 58, Renmin Avenue, Haikou City, Hainan Province, China

Website: [https://en.hainanu.edu.cn/](https://en.hainanu.edu.cn/)

Hainan University is a comprehensive key university formed by a merger with the former South China University of Tropical Agriculture in August 2007. It is jointly administered by the Ministry of Education and the Hainan Provincial People's Government.

The university has made great achievements by adhering to the motto of "openness and inclusiveness" and the spirit of "self-improvement, dedication, kindness and perseverance". In December 2008, it was approved by the state as a key university under the 211 Project. In 2012, it was included in the Plan of Strengthening Higher Education in Middle and Western China and was successively supported by the National Basic Ability Construction Project of Western and Central China and the National Comprehensive Strength Enhancement Project of Western and Central China.

DOCTORAL CONSORTIUM

Eligibility

Students should be conducting research in digital image processing and be within one year (before or after) of graduating with their doctoral degree.

Submission Guidelines

- Students that meet the eligibility requirements should submit an application to icdip_contact@163.com
- You need to submit the following as a single pdf file:
  1. Your CV and list of publications.
  2. One first-author paper which you are most proud of.
  3. The title and abstract that you will present at the consortium.
  4. Three specific questions you have for your mentor.

PUBLICATION

All papers will be strictly double blind reviewed by the program committee, and accepted papers after proper registration and presentation will be published in the conference proceedings by SPIE, which will be included in SPIE Digital Library and indexed by EI Compendex, Scopus, etc.

The previous proceedings have been successfully indexed by EI Compendex, Scopus and CPCI (Web of Science). For more information about the previous publication, please visit: [http://www.icdip.org/history.html](http://www.icdip.org/history.html)

SUSSION

- Submission Deadline: January 30, 2024
- Language: English is the official language of the conference; the paper should be written and presented only in English.
- Submission Type:
  - Abstract: Presentation Only
  - Full Paper: Presentation & Publication

For any inquiry about the submission and conference, please feel free to contact us at icdip_contact@163.com
